I know many of you know me, but here is a little background...

Current and Active Board Service:

- Neighborhood Housing Services, Oklahoma, Treasurer, Board Member since 2015, volunteer with the agency since 2007
- Smart Start of Central Oklahoma, Children's Early Education nonprofit, supporting the early education needs of families with children ages 0-5 years of age.
 - Governance Chair, Board Member since 2015
- The Alliance for Workplace Education (AWE), collaborative effort with Arvest Bank, MidFirst Bank, Community Action Agency of OKC, Metrotech and Oklahoma Money Matters with the State Board of Regents
 - Financial Literacy brought on-site to businesses, nonprofits and civic groups, Co-Chair, Board Member since 2017

Thank you for your consideration! I look forward to speaking with you!
Crystal
